

IT'S CLAP-IN TIME!

Join us for a morning of
celebration and encouragement!

Every second Monday of the month during the school year, community leaders, college students, volunteers, Omega CDC Staff, and Fairview Staff gather to greet the scholars as they enter the building for another week of school. We give hearty high 5's, humongous hugs, spontaneous smiles, and amazing applause. Oftentimes, Mondays are very challenging for scholars as they begin another week of school. The goal of the monthly Clap In is to break down barriers, while providing encouragement and inspiration.
